

PRODUCT PROFILE

Authorized Distributor for Analytical
Instruments, Lab Equipments, Life
Sciences & Biotech

ABOUT ROSE MEDICARE PVT LTD

Rose Medicare Pvt. Ltd. over the years has been Instrumental in showing new pathways in the field of Quality Laboratory Practice & has the distinction of achieving Quality Bench Marks.

The various Multinational & National Level Principals, which it handles today speaks for its success, from its Customer's & User's Stand Point.

A house where Professionals are involved, one needs to experiences the Length, Width & Depth of its Product's Line.

“Come & Experiences The Feeling Of Being A Part Of Rose Medicare Pvt. Ltd.”

Our Vision :

Committed to Quality & Commitment at All Levels of Functioning in the Insert of Patient Care.

Our Mission :

- Clarity of Expression.
- Commitment to Quality .
- Efficient & Effective Customer Relationship Management to Promote Strong Associate Bonding.
- Philosophy of Partners-In-Progress.
- Involved in Total Quality Management by Objectives, for Achiving Greater Levels of Vertical Success.

Bio-Rad is a global leader in developing, manufacturing, and marketing a broad range of innovative products for the life science research and clinical diagnostic markets. With a focus on quality and customer service for 70 years, our products advance the discovery process and improve healthcare.

Immunoassay Quality control

Diamed Id-Incubator 37 SI

Agappe, 'Your Best Partner in the Diagnostics' was established in 1995, with a unique mission to stand for the Welfare of Mankind, as envisaged by the founder Chairman and the management. This has been our distinctive compass from the very inception, and that's what transmuted to consolidate our position as one of the world's most rapidly expanding In-Vitro Diagnostic (IVD) company. We are a diagnostics industry pioneer, with over a thousand distributors and a sizable share of the global Original Equipment Manufacturer market.

With the clarity of vision to respond to evolving needs in modern microscopy, Labo America was founded on its unique abilities to deliver high precision microscopes and optical instruments. From design concepts to finished products, the Labomed brand captures the essence of optical and mechanical perfection.
